Petition Concerning Submission Of
Missing Parts and Extension of Time Fees

Sir:

We discovered that we were required to file a Submission of Missing Parts by examination of our account in the Private PAIR system. However, we have not received from the USPTO a Filing Receipt and Notice to File Missing Parts of Nonprovisional Application. We notice, however, that there is no Filing Receipt posted on the private PAIR system. Please post and forward us a copy of the Filing Receipt. Therefore, we do not believe that our submission is untimely and respectfully request that our fee for Extension of Time be refunded.

If any other fees are due in connection with the filing of this response, including any fee for a required extension of time under 37 CFR 1.136(a), for which Applicant hereby petitions, please charge all necessary fees to the deposit account No. 500329.

Respectfully submitted,
